With a student-teacher ratio of 11 to 1, KCP serves over 500 students per year. English-speaking staff provides language support, including special tutorials, in English if needed.

KCP offers two areas of study. The first, a total immersion Intensive Japanese Language Course (taught in Japanese), is the main focus of the KCP program. Special emphasis is placed on a balanced language education program that stresses the 4 most important communication skills: listening, speaking, reading, and writing. The language course is offered at six levels. The second, a Japanese Culture and Civilization Course, offers opportunities to experience Japan first-hand while visiting many notable sights in Tokyo.

Passport and Visa

All students must have a valid passport. Because of a visa exemption arrangement between the U.S. and Japan, students can stay fewer than 90 days (one semester) without being issued a visa. If you plan on studying longer, apply for a student visa. This process may take over six months, so start early. Students will be responsible for a visa processing fee of \$250. Students accepted to this program will receive a visa packet with specific information.

Refund Policy

If KCP receives written confirmation of withdrawal more than 60 days before the program starts, all payments made to KCP will be returned. If we receive written confirmation of withdrawal 45 to 60 days before the program begins, 50% of the program fee will be refunded. If payment has not been made, 50% of the program fee is due. No refunds will be made if withdrawal occurs 45 days or less before the program start date.

PERSONAL ESSAY

On a separate sheet of paper, type or print a 500-word essay about why you want to participate in the KCP program. Include any expectations you have for your experience in Japan, future academic and professional goals, and any previous travel or study in Japan.

AGREEMENT AND RELEASE

1. I release KCP International Japanese Language School and KCP International USA, Inc. (collectively "KCP"), and Elizabethtown College ("E-town") and their officers and agents from any and all claims and causes of action for damage to or loss of property, personal illness or injury, or death, arising out of any travel or activity conducted by or under the control of KCP or E-town. I further agree to reimburse KCP, E-town, or any Japanese host family with whom I/my son or daughter stays during the program for any damage to property or injury to persons connected with KCP, E-town, or a Japanese host family caused by me/my son or daughter.
2. I accept full responsibility and will indemnify and hold KCP, E-town and any Japanese host family harmless from any damage to or loss of property or personal injury to any third party arising out of any alleged action on the part of myself/my son or daughter.
3. In the event of illness or injury to me/my son or daughter, I hereby authorize any officer of KCP to secure any necessary treatment, including the administration of an anesthetic and surgery.
4. I give permission and accept full responsibility for any expenses incurred while I/my son or daughter travels independently on weekends or academic holidays during my/his/her period of study at the KCP program site. I agree that neither E-town, KCP, nor any program staff or Japanese host family is responsible for the participant while on an independent side trip.
5. KCP is hereby authorized to distribute my/my son or daughter's name, address, and telephone number to other participants in the program prior to departure.
6. I understand that KCP sometimes uses photographs of program participants in its program catalogs and other publicity materials. I authorize KCP to use photographs in which the student is pictured for promotional purposes.
7. I have read KCP's refund policy in the program catalog and agree to abide by it. Further, I agree that unless I have made specific arrangements with either KCP or E-town to the contrary, all fees will be paid in full prior to departure for the program.
8. I certify that all statements made in this application for a KCP program are correct and true.
9. I understand that, as part of my application, I may need to obtain a letter of good health from a licensed physician stating that I am in satisfactory health, capable of traveling to Japan, and fit to attend the language study program.
10. I understand that KCP-USA will not be making the final acceptance decision, and that the acceptance decision will be made by KCP-Japan.
11. Studying at KCP is not like studying at a university or college in your home country. Japanese traditions run deep at KCP. Policies, procedures, curriculum and support services will probably be unlike any you have experienced at home. You must be open-minded and respectful of KCP traditions. There is no room for disrespect of faculty, staff or any students from other countries. You represent your home country and as such, your conduct during your stay in Japan must be exemplary. Your primary purpose for attending KCP should be dedicating yourself to increasing your proficiency in the Japanese language. Only then can you truly experience the breadth of the Japanese culture. If you are able to be respectful of the Japanese culture and traditions, you are encouraged to proceed with your application.
12. I understand that I am required to maintain health insurance coverage during my stay in Japan. I further agree that I will be responsible for my own medical care while abroad. By signing below I indicate that I will have insurance during the entire duration of my stay in Japan.
13. I certify that I am in good physical and mental health and that I do not suffer from any special mental or physical condition that would prevent me from successfully taking part in the KCP program.
14. I understand that any information collected by KCP in the registration and application material from student may be shared by E-town, or student's home university, but only to the extent that it is important for the KCP registration and application process.
